Welcome to the **University of Houston** **Andy and Barbara Gessner College of Nursing**

Congratulations on your decision to advance your education.

The Gessner College of Nursing has been offering educational, informational, and cultural opportunities to students from many South Texas counties since 2006. Located at campuses in Sugar Land, Katy, and Houston, the Gessner College of Nursing establishes educational partnerships with both rural and urban health care facilities. The nursing faculty utilizes many learning modalities to provide exemplary education across a continuum of cultural, educational, and generational learning concepts. Approved undergraduate programs of study include the Traditional Track BSN, RN to BSN track, and Second Degree BSN track.

The undergraduate nursing student handbook contains policies specific to the Gessner College of Nursing programs that supplement those found in course syllabi, the [UH Catalog](#), and the [UH Student Handbook](#). Students are responsible for using these resources when questions arise and as guides to academic and nonacademic policies and procedures.

The information in this handbook is updated every two years; however, changes may also be made throughout the academic year. If a change occurs, an announcement will be posted on the Gessner College of Nursing website and in the Gessner College of Nursing's learning management system.

GESSNER COLLEGE OF NURSING PURPOSE AND ORGANIZATION

UNDERGRADUATE PROGRAM OVERVIEW

CLICK BELOW TO VIEW

STUDENT EXPECTATIONS:

1. Be familiar with the mission of this program and to comply with the expectations outlined in the UH catalog, new student orientation, and the undergraduate student handbook.
2. Maintain high standards of academic honesty and ethical behavior as outlined in course syllabi.
3. Ensure that degree plan requirements are understood and contact advisors promptly to resolve any questions regarding enrollment.
4. Ensure contact information such as permanent mailing and e-mail addresses are kept current in the myUH PeopleSoft self service account.
5. Comply with registration, financial aid, and tuition and fees payment deadlines.
6. Apply for graduation by the published deadline for the semester in which they will complete degree requirements.
7. Visit the college's web page (www.uh.edu/nursing) regularly for important updates and to obtain information on course textbooks.

UNDERGRADUATE STUDENT LEARNING GOALS (OUTCOMES)

1. Synthesize knowledge from the biological sciences, social sciences, behavioral sciences, humanities and nursing to provide appropriate culturally sensitive care to individuals, families and communities.
2. Demonstrate effective interpersonal communication, collaboration with other professionals, and develop leadership and management skills.
3. Critically analyze and apply research findings to nursing practice related to disease prevention, health promotion, illness care and restoration of health.
4. Utilize critical thinking skills to evaluate the outcomes of nursing care.
5. Serve as client advocates by providing health education and in monitoring and promoting access to cost-effective care.
6. Encourage lifelong learning and create a foundation for graduate study.
7. Integrate professional values, and ethical, moral, and legal aspects of nursing into practice in a variety of structured and unstructured settings.

TRADITIONAL BSN TRACK

Barbara Gessner
College of Nursing
UNIVERSITY OF HOUSTON

du/nursing

TRADITIONAL BSN TRACK

This track is for the University of Houston student interested in nursing. The primary educational objective of the [Traditional BSN Track](#) is to produce graduates for professional nursing practice who can draw upon knowledge from biological sciences, social sciences, humanities, and nursing to critically analyze human responses to actual and potential health problems and provide appropriate nursing interventions.

Requirements for all candidates pursuing the Traditional BSN degree are listed in the [UH Catalog](#) under Gessner College of Nursing and on the Gessner [College of Nursing Traditional BSN Track web page](#).

[Pre-nursing students](#) must apply and be accepted to the Gessner College of Nursing BSN major to be considered a nursing student.

RN TO BSN TRACK

RN TO BSN TRACK

This track is for the registered nurse with an associate's degree or diploma in nursing. The primary educational objective of the [RN to BSN Track](#) is to increase career and educational opportunities available to registered nurses in the University's service region. Graduates of the program will have a broader understanding of the nursing profession and will bring that understanding to the practice of nursing in their places of employment. Graduates will be prepared to assume some leadership and management roles.

The requirements that apply to all candidates for Registered Nurse to Bachelor of Science in Nursing degree are listed in the [UH Catalog](#) under Gessner College of Nursing and on the Gessner College of Nursing [RN to BSN web page](#).

RN TO BSN TRACK REQUIREMENTS			
Core Curriculum Requirements	Component Area	Hours Required	TCCNS
	Communication	6	^ENGL 1301 and ENGL 1302
	Mathematics	3	MATH 1314
	Life & Physical Sciences	6	BIOL 1322 and CHEM 1305
	Language, Philosophy, & Culture	3	Select
	Creative Arts	3	Select
	American History	6	HIST 1301 and HIST 1302
	Government/Political Science	6	GOVT 2306 and GOVT 2305
	Social/Behavioral Sciences	3	*SOCL 1301
	Component Area Option	6	^MATH 1342 and ^WID in nursing major
Nursing Field of Study	Content Areas	Hours Required	TCCNS
	Anatomy & Physiology	8	^BIOL 2301/2101 or 2401 and BIOL 2302/2102 or 2402
	Microbiology	4	■ BIOL 2320/2120 or BIOL 2420 (or BIOL 2321/2121 or 2421)
	Chemistry	4	*Any 4 SCH Course including Lab
	Nutrition	3	■ BIOL 1322 or HECO 1322
	Psychology	6	■ HDFL or PSYC 2314 and PSYC 2301
Mathematics	3	^Math 1342	
Advanced Placement Hours	Upper Level BSN Curriculum		
	<p>Students will be given 33 hours of credit for successful completion of nursing courses from Associate Degree in Nursing or diploma program & subsequent RN licensure.</p> <p>Field of Study</p>		

RN TO BSN NURSING CURRICULUM

Course #	Course Title	Credit Hours

^WID Course

A woman with long reddish-brown hair is wearing a black VR headset and holding two black VR controllers. She is in a classroom or computer lab, with other people and desks visible in the background. A large whiteboard is on the left. The text 'SECOND DEGREE BSN TRACK' is overlaid on the left side of the image.

SECOND DEGREE BSN TRACK

SECOND DEGREE BSN TRACK

The primary objective of the [Second Degree BSN Track](#) is to produce graduates for professional nursing practice who can draw upon knowledge from the biological sciences, social sciences, humanities and nursing to critically analyze human responses to actual and potential health problems and provide appropriate nursing interventions.

The Second Degree bachelors program is a twelve-month intensive full-time program for people holding bachelors or masters degrees in other fields who want to become registered nurses (RNs). This program is designed to facilitate a career change for the more mature and experienced student.

The requirements that apply to all candidates for Second Degree Bachelor of Science in Nursing are listed in the [UH Catalog](#) under Gessner College of Nursing and on the Gessner College of Nursing [Second Degree BSN web page](#).

SECOND DEGREE BSN COURSE SCHEDULE

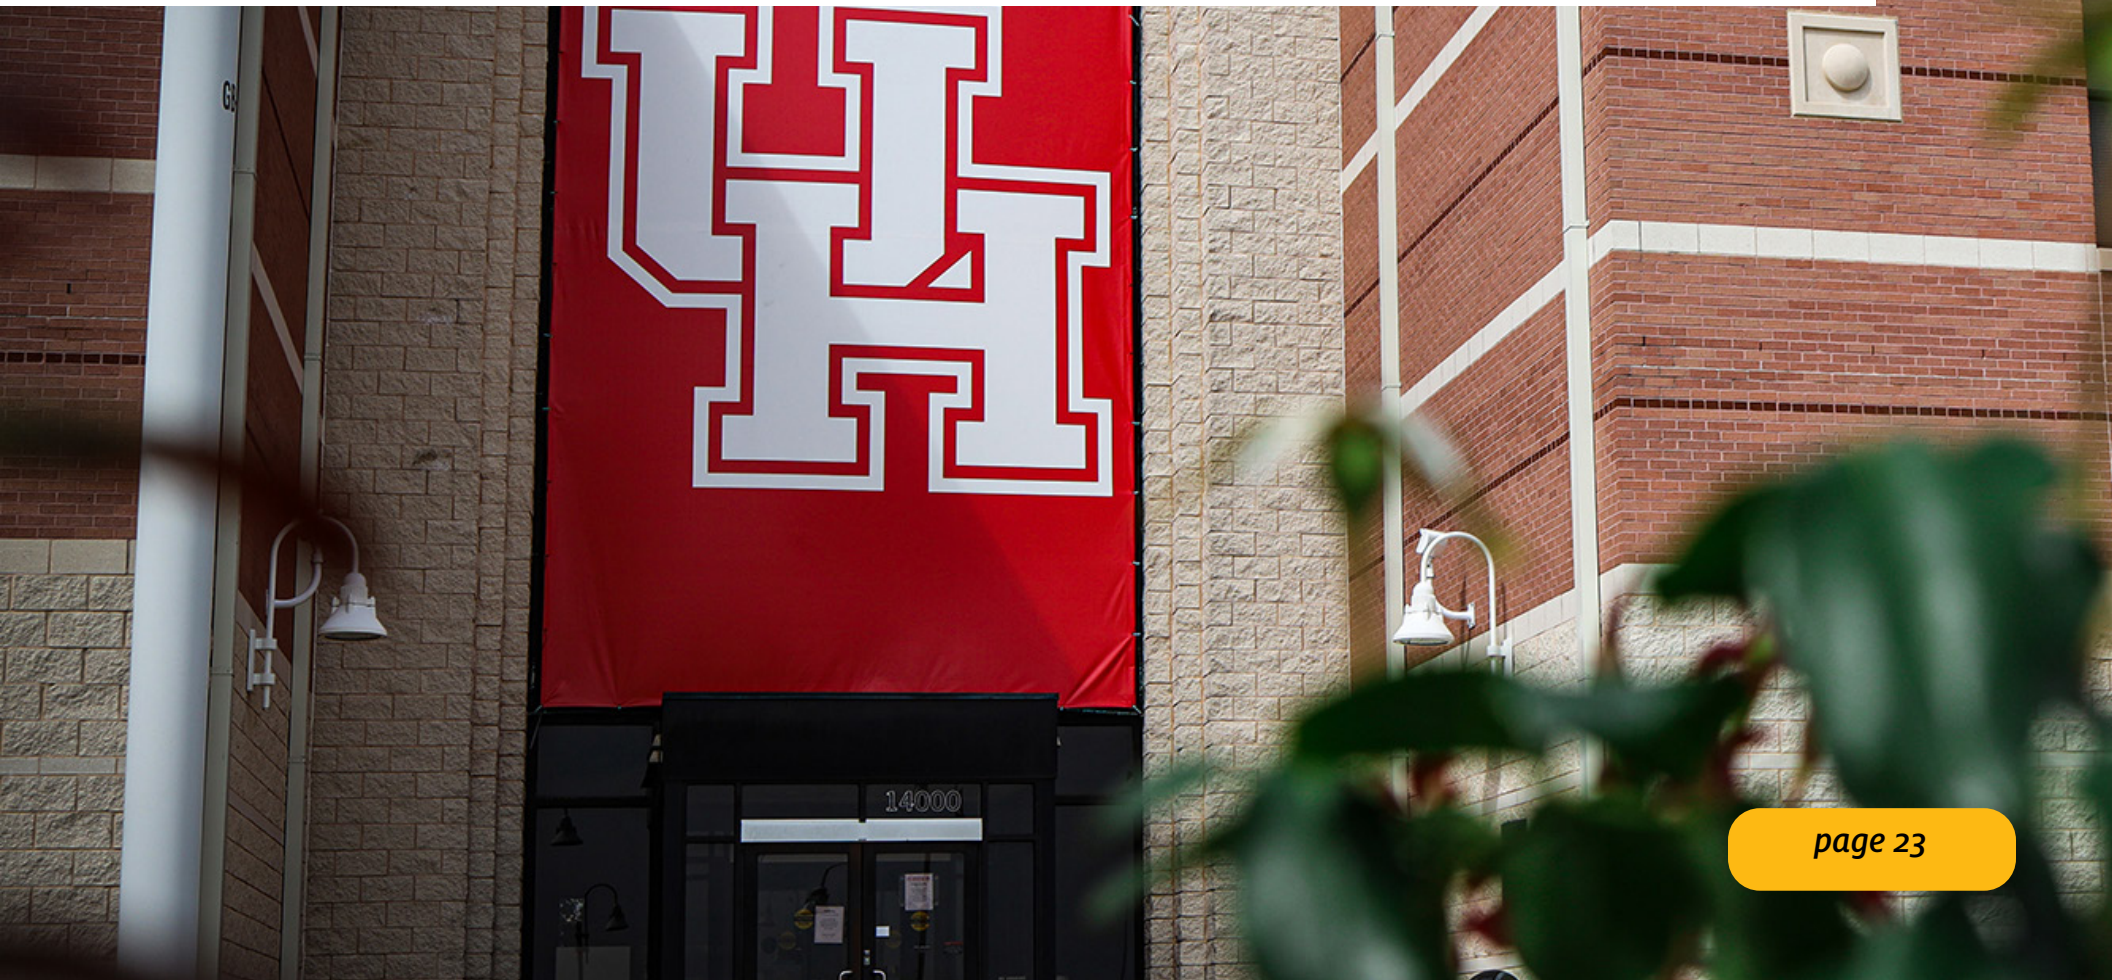

Course #	Course Title	Credit Hours
Semester 1 - Spring		
NURS 3230	Nursing Professional Role I	2
NURS 3247	Pharmacology for Collaborative Nursing Practice	2
NURS 3440	Introduction to Evidence-Based Nursing Practice	4
NURS 3631	Nursing Process for Symptom Management	6
NURS 3633	Clinical Nursing Practice I	6
Semester 2 - Summer
