FY 2025 Overall Attendance

Overall Attendance: 15,512. Although attendance for the year shows a 16% decrease of last year's total, this can be directly attributed to construction that has been ongoing in both the street in front of the Blaffer and the parking lot where visitors usually park. The completion time is December, with plenty of time for 2026's spring student exhibitions. The five year trend shows a bump from the museum's 50th year anniversary in 2023; the attendance goal in FY26 is to once again reach 20K.

Loop Road Construction

The background of the slide is a collage of vintage photographs and a beaded necklace. The photos include a man in a suit, a woman in a patterned dress, a group of people at a social gathering, and a young child. A string of colorful beads hangs vertically across the center of the collage.
