

FY27AOT26a_CIR

Request: CIR Graduation Celebration and Friendraising Dinner

Cost	\$15,000
Admin Fee	\$900
Total	\$15,900

Description, Rationale and Alignment:

CIR budget relies on fundraising. This is our annual event to showcase our graduates and raise money from stakeholders for CIR. Last year, with SFAC support of the dinner, we raised almost \$3,000 more than the year previous when we did not have the SFAC funds. Therefore, we believe this investment of SFAC funds is multiplied by the fundraising it enables.
